WORK EXPERIENCE

Sinclair Digital
Software Development Engineer I   **2021 - Present**
- Engineered a dynamic React.js application for the Tennis Channel, generating live video streams and featuring sophisticated form input validation, seamless integration of React hooks, and effective utilization of React Context API.
- Implemented a polling mechanism using React state and JavaScript's setInterval function that periodically makes requests to a RESTful API endpoint to refresh the status of a livestream.
- Refactored a plugin within a frontend microservice application by mitigating style overlapping issues with CSS modules.
- Collaborates on an Agile team that operates on a two week sprint with daily standups. This involves active creation of tickets, story point estimates, and taking the role of scrum master during ceremonies.
- Manages a GitLab CI/CD deployment pipeline that deploys code to INT, QA, and Prod environments.

University of Washington Coding Boot Camp
Teaching Assistant   **2020 - 2021**
- Taught languages, technologies, and concepts including HTML, CSS, JavaScript, jQuery, Node.js, MySQL, MongoDB, Handlebars.js, MVC design pattern, working with and building APIs, React.js, GitHub and Heroku.
- Managed six-month classes of up to 60 students using Zoom and Slack to facilitate learning and communication.
- Guided students on how to think and research effectively as full stack engineers.

Boxtribute
Frontend Developer   **2020 - 2021**
- Contributed to a React.js web application that helps distribute donated goods to refugees.
- Implemented unit and integration tests using React Testing Library and Jest.
- Collaborated remotely with developers across the globe in an Agile software development life cycle operating on a one month sprint.

SKILLS
- Languages: Java, JavaScript, C, C++, Python, C#, HTML, CSS, SQL/T-SQL
- Libraries: React.js, jQuery
- Others: AWS, Express.js, Git, MVC design pattern

EDUCATION

University of Washington Bothell
Master of Science in Computer Science and Software Engineering   **2022 - 2025**
Graduate Certificate in Software Design and Development   **2021 - 2022**

University of Washington Boot Camp
Full Stack Web Development Certificate   **2020**

University of Washington Bothell
Bachelor of Arts in Business Administration   **2017 - 2019**
